

Lord Andy Herioux- My best personal achievement is being part of the winning National Quiz Bowl team in 2018, and being named WSRBA Lord for 2018. My best achievement with my bunnies so far is placing 2nd and 9th Top Lop for Youth for the Holland Lop Specialty Club in 2016 with Jacky, my first homebred doe, and JR was a joint breeding with my parents. Another achievement was receiving Reserve in Show with Jacky for the first time at the Antigo show. I have been able to breed more bunnies from my lines and producing multiple BOB/BOS winners. I have now produced offspring that have been able to beat their parents on the show table. My bunnies have made it possible for me to see a lot in the USA. I have shown bunnies in Portland, OR, San Diego, CA, Indianapolis, IN, and West Springfield, MA, but I've gotten to go a lot more places too. I want to thank my mom and dad for taking me to the bunny shows, paying for entries, and buying the bunnies and me food. I want to thank Christi and Gary Ringelstetter for helping me when my bunnies injured themselves, and for entertaining me at shows. Thank you Alex and Julie Schmiedlin for caring for baby bunnies that are in our house. They will take them to their house when our family travels. Thank you Brian and Ann Wimann for coming to shows and entertaining me.
